**Seeking Financial Secretary**

We are looking for someone with the time and talents to be our first Financial Secretary, in order to separate the two financial roles of receipts (Financial Secretary's role) and disbursements (Treasurer's role). Historically, Kenny Howett has done both, but they need to be separate. The Financial Secretary includes the following main roles:

1. Account for all receipts deposited by the church.
2. Provide accounting to the Treasurer.
3. Keep an accurate record of contributions by individuals.
4. Provide adequate substantiation to contributors for tax purposes.

The goal is to transition with Ken and develop a more complete job description by January 1, 2016. If you have an interest, please contact Ken Howett or Fred Cost.
